WorkflowOne Receives Platinum Award from MedAssets

Leading Provider of Print Management, Marketing and Distribution Services Recognized at Annual Healthcare Business Summit

Dayton, Ohio, May 6, 2011— WorkflowOne, a leading provider of print management, marketing and distribution services announced today that MedAssets, a leading provider of health information technology and services that support sustained financial improvement, has recognized the company with their Platinum Award for supplier performance at the MedAssets Healthcare Business Summit, April 25-29, 2011..

MedAssets Supplier Awards Program recognizes suppliers that are true leaders in the industry and in the community. MedAssets recognizes suppliers who proactively and consistently bring market-leading pricing, implement cost-reduction strategies and provide clinical and healthcare improvement resources. Supplier performance is evaluated against these specific criteria during the calendar year. Award levels are Platinum, Gold, Silver and Bronze based on total points earned. Award winners are recognized at the MedAssets Healthcare Business Summit, with further recognition communicated to their customers and the supplier community internally throughout the year.

“We are honored to have been given the opportunity to serve MedAssets and their members over the years,” said Dean Truitt, CEO of WorkflowOne. “It’s even more gratifying, however, to be recognized and awarded for meeting and exceeding our customers’ expectations. We look forward to a long and mutually beneficial relationship with MedAssets.”
